Attachment to the Notification of Non-Compliant Appeal Brief

1. With respect to item 2, the brief in the section of the Status of Claims, does not contain a statement as to the status of all of the claims. There is no statement as to which claims are rejected and which is allowed.
2. With respect to item 3, the After Final amendment filed on June 24, 2005 was entered and made of record as noted by the Advisory Action, dated July 19, 2005. However, the section of the brief under Status of Amendments, makes no such statement as to whether or not the After Final amendment has been entered.
3. With respect to item 10, the brief presents arguments to Claim 9 in the section under arguments. However, Claim 9 was indicated as being allowable in the Advisory Action, dated July 19, 2005. So it is unclear as to why arguments are presented to Claim 9 since Claim 9 is found to be allowable.
4. With respect to item 7, the copy of the claims in the appendix is incorrect because it includes Claim 9 as being under appeal. Claim 9 is not under appeal for the reasons in item 10 above.
